SUITE CBR @ NATIONAL CONVENTION CENTRE CANBERRA PROVIDES THE PERFECT SOLUTION FOR:

- Live streaming of a range of events from AGM's, to events or awards nights
- Interactive webinars
- Ongoing virtual event series
- Recording presentations and events

ENCORE EVENT TECHNOLOGIES FEATURES:

SUITE CBR @ National Convention Centre Canberra offers the latest Encore technologies and production which can be tailored to suit your individual online needs. The basics include:

- Onsite technician for virtual stage management and presenter direction
- Custom designed set for content, branding or sponsors
- Two LCD screens or a green screen to create a tailored virtual background
- Professional screen lighting
- Scenic panels for a creatively designed set
- Sound system and microphones
- Vision control and laptops
- Lectern if needed
- Fold-back monitors for timings, script or content
- One high definition camera – presenting, streaming or video conferencing
- These can be upgraded at any point – fully flexible!

For hybrid events with multiple remote participants and presenters, take the SUITE CBR @ National Convention Centre Canberra basics and add.

The expert team at Encore Event Technologies will be able to design a fully-inclusive package based on your hybrid or virtual delivery requirements.
